Dear Esteemed Participants,

Welcome to the much-anticipated 5th Edition of the **LexTalk World Global Legal & IP Conference**, New Delhi, India. This event marks a significant milestone for LexTalk, being our first conference in India since our inaugural event in Dubai, UAE, back in 2021.

The overwhelming enthusiasm and support from our esteemed participants, sponsors, exhibitors, and media partners have fueled our excitement to organize an unparalleled conference in the vibrant city of New Delhi. This edition promises to be a global convergence, with over 2000+ participants from around the world, bringing together experienced and well-equipped legal professionals across various domains of the Global Legal Industry.

A notable achievement for us is the participation of distinguished legal personalities, including corporate and in-house counsels, litigators, legal-tech experts, scholars, Government Regulators, Judicial Experts, and Judges, in various capacities such as speakers, awardees, and delegates.

The conference will feature two dedicated halls addressing dynamic and emerging issues in the legal industry through some insightful sessions presided over by top-notch experts, including leading keynote addresses, engaging panel discussion sessions, enlightening case study presentations, and interactive round table discussions.

The broad spectrum of topics covered includes Relations between In-House & External Counsels, Environmental Law and Sustainability, Foreign Law firm operations in India, Cross Border Dispute Resolution, Intellectual Property and Technology Transfer, Data Privacy, Artificial Intelligence, Legal Challenges in the Digital-era, Role of Technology and Access to Justice, Robotic Process Automation for Legal Operations, E-Discovery, and Digital Evidence, among others.

Furthermore, the conference will be a platform to recognize and celebrate excellence in the legal and intellectual property landscape globally through The Lex-Falcon Awards.

We eagerly look forward to your participation, anticipating an enriching and unforgettable experience amidst the rich cultural and intellectual diversity of India. With exciting initiatives and objectives ahead, brace yourselves for a fantastic time at the LexTalk World Global Legal & IP Conference in New Delhi, India.

Thankyou and Regards

It gives me immense pleasure to be a part of the LexTalk World Legal & IP Conference 2024. I have been informed that the discussions in the conference would cover themes such as Domains of Legal Practice in India and abroad, Environmental Law and Sustainability, Data and Intellectual Property Rights, Corporate Governance and Artificial Intelligence.

It is my distinct privilege to be the Guest of Honour in the concluding Awards Ceremony of this conference. This event serves as a point of confluence between individuals from different branches of the law, such as Judges, Scholars, Government Regulators, Legal Tech Vendors, In-House Counsels and Law Firms. I fundamentally believe that any opportunity which enables lawyers with diverse practice areas to connect with each other, eventually leads to the evolution of the law.

I am also elated to know that this conference will be recognizing the excellence of our legal professionals and honour their contributions to the global legal industry with the LexFalcon Global Awards.

I wish the conference a grand success.

DOES IT SOUND FAMILIAR?

Picture this: today is the trial you have meticulously prepared for. You have carefully reviewed all relevant case materials, dug through endless statutes and case law, identified key legal arguments, anticipated potential counterarguments, and prepared responses. You are all set, ready for action. But suddenly... A new crucial fact emerges out of nowhere or your opponent files a

document last minute, just when you thought your case was slam-dunk. You find yourself back at square one when you need to start your research all over again. However, there's one catch now — you're pressed for time, and no available research tool can help you speed up the process. Or is there one?

Introducing CaseResearch.AI, your virtual legal research assistant capable of providing clear and persuasive case law insights in a matter of minutes, even on the go.

No more choosing the 'right' keywords and terminology for effective case law search

No more delving into reading the entire case text to spot critical points of the judgment

No more switching and doublechecking among tools to prove the accuracy of results

No more wasting time on tools the results of which are not satisfactory 90% of the time

Minimize unexpected setbacks, maximize the precision of case law research

- ✓ relevant cases on the first try
- ✓ chat-based user interface
- ✓ search by issue, argument, outcome, etc.
- ✓ key points & ratio of the judgment highlighted
