LexTalk World Conference & Exhibition San Francisco 2025 to Unveil Future of Law and Legal Technology

SAN FRANCISCO, CA November 19, 2025 – LexTalk World is proud to announce the successful completion of the highly anticipated Global Conference & Exhibition, on the November 19-20, 2025, at the AMA Conference Center, 55, San Francisco, USA. Bringing together over 100 distinguished speakers from top corporations and law firms, the 11th global edition of the conference focussed on two critical tracks: The Modern Legal Leader – Strategy, Risk & Growth and Legal Innovation, IP & Technology.

The two-day event was designed to equip General Counsels, Law Firm Leaders, Legal Tech Vendors, and Compliance Professionals with practical strategies to navigate the complexities of the modern global legal ecosystem.

The conference was officially accredited to provide CLE (Continuing Legal Education) credits, enabling legal professionals to enhance their professional standing while gaining industry-relevant insights. The event was strongly supported by leading global sponsors and strategic knowledge partners, whose presence and engagement enabled high-impact discussions, technology showcases, and immersive learning experiences.
